

Conventus Terra Mariana

anno 1201 Roma

Decision of MG CTM, OAM no 1st Sept 2014.a.D.

I

According to the decision of MG CTM and OAM no 21.VIII 2014.a.D. OAM orden chevalier' register is equivalent to OAM order noblemen register from today.

II

With the decision no 82 11.IX 2011.a.D. I have counted myself to reserve and with the reorganisation decision 14.II 2014.a.D. and appendix 001, I have adjusted the CTM administration structure.

MG has given on the behalf of CTM the promise to the Holy See that CTM belongs now and for ever to the institution, who founded CTM according to the blessing of PP Innocentius III since our Lord's year 1201.

Since 1995.a.D. Arendia Elita von Wolsky FF (FF) owns the high blessing for the re-establishing and leading CTM together with the commitment to be any moment ready to give back the heritage of the CTM to the Holy See together with all rights in the Holy Terra Mariana and elsewhere.

I have promised that to my position after me can step MG/PG, whom the Holy See blesses and confirms.

I have promised to reserve the legitimacy of Bishop Albert (von Buxhoeveden) **Episcopus Catedra** with my reorganisation decision no 82 as far as the Pontifical institution allows to fulfil it. **LET US PRAY.**

III

My temporal value has weakened during years this much that I would like to appoint the CTM heritage holder highly blessed Arendia Elita von Wolsky FF lead kindly by my lady Marika Katarina with my Testament, that we always and in everything were subordinated to the leading of the Holy See, that taking into account today's conditions, we would obey to the heavenly wise of Pont. Max Franciscus I through solidarity and values of theocratic socialism – that it becomes like in Heaven is.

IV

I have decided, that the first phase of re-establishment of CTM is finished. We focus more on treatment of the tradition wise and harmonised adaption in practice and sustaining the holy knowledge.

I have decided to qualify the honourable position of **Magister Generalis CTM** to the honourable post holder/defender of **Protector Generalis CTM** according to the benediction of the Holy See.

I ask **Protector Oecumenicuse and Elector Princeps CTM**, doctor of theology, Ingmar Kurg senior at his side to invite the above nations' **Protector Supranational CTM**, doctor of medicine, Ingmar Johannes Kurg junior.

In faith and faithfulness our God's humble student,

Protector Generalis CTM Ioan Arendia Elita von Wolsky together with my lady Principalia CTM, OAM and FF Marika Katarina
