

Conventus Terra Mariana

anno 1201 Roma

Peace tidings of Conventus Terra Mariana to all successors of Terra Mariana for Christmas 2009

I have the honour to inform You, that my beloved lady Marika has made us a wonderful Christmas gift, allowing naming her officially the disembarkator of Prima Concordia PanEurAsia and Consul of the same name Solidarity Foundation and Corpus Legatorum.

Concordia I is historically established unity and solidarity symbol upon politics, between religions and national cultures. Therefore I also ask the successors of Terra Mariana share the responsibility and rights which we obtain through this.

I believe that traditional Christian Churches and historically established culture empires are able to join and take positions in the peaceful association of many cultures and religions of PanEurAsia.

Let us illustrate the Christmas greeting of Conventus Terra Mariana two eloquent symbol wearers of Christian Culture side by side. Compare their similarity, which basis of solidarity is the Byzantine eagle, who invites God people to join from East and West in one body before one Father now and forever.

Let us bless the Mighty Creator in our peacemaking undertakings here in the Holy Terra Mariana and on the whole Earth, that it would become as it is in the Heaven.

On the behalf of Conventus Terra Mariana  
Conventmaster together with his lady,

Ioan & Marika Katarina Arendia Elita von Wolsky
